# PERMISSION FORM

I, _____give permission for my son/daughter _____
(parent or legal guardian) (name of student)

to attend a driver's education course offered by Crossroads Driving School, LLC.

Students can not be admitted unless they are at least 16 years of age.

**Students must receive at least 40 hours of on-road instruction before testing for their license.** If your son/daughter completes the full course which includes 8 of the 40 hours of on-road instruction, it is the parent/guardian responsibility to instruct 32 hours of on-road lessons.

**A copy of the student driving log must be completed and signed by both student and parent/guardian prior to the first on road lesson indicating the student has completed *at least* 32 hours of behind the wheel instruction.**

Once the student has completed either the 38 hour full course, 30-hour classroom only course, or the 8-hour Safe Driving Program, an electronic Driver Education Certificate (e-DEC) will be emailed to the student to show proof of completion.
**38-hour course:** Earliest date to test for license is **120 days** past permit date of issue (8 hours of on-road instruction by Crossroads Instructor **must** be completed).
**8-hour Safe Driving Course ONLY** or **30-hour Classroom Course ONLY**: Earliest date to test for license is **180 days** past permit date of issue.

*If the student has completed the 38 hour full course (which **includes** the 8 hours of on-road instruction) most insurance companies will offer a discount. If the student is on the honor roll you may also receive a good student discount.* Check with your insurance company.

The student may be a passenger in the rear seat while another student is driving. The first student picks up the second student and the second student drives the first student home. The driving instructor will be in the passenger seat.

Crossroads reserves the right to charge a **$75.00** fee for missed on-road lessons, unless notified at least 24 hours prior to appointment.

**Crossroads Driving School offers onsite DMV license road tests for our students. It is done on a first come first serve basis only. *The fee is $100.*** Dates confirmed by the DMV can be found on our website. Use of a Crossroads car for the test is provided. The car students practice in might not be the car you will be tested in.

I release Crossroads Driving School, LLC from liability for any future accident or injury after they have completed a course or partial course. This policy is firm.
